

Seek medical care immediately if you or someone you know has Emergency Warning Signs of COVID-19:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion

- Difficulty walking or staying awake
- Pale, gray, or blue-colored skin, lips, or nail beds, depending on skin tone

This is not a list of all possible symptoms. Please call your healthcare provider for any other symptoms that are severe or concerning to you.

Know the symptoms of COVID-19, which can include the following:

If you are experiencing any of these symptoms, get tested for COVID-19.

Symptoms can range from mild to severe and appear 2–14 days after you are exposed to the virus that causes COVID-19.
